Feb. 18, 1910.

A few lines in regard to religion, I wish to say that religion is the finest thing in this old wide world while this truth is hard to place before the people, but Christ has declared that there were nothing hid that should not go uncovered and I wish to say that Christ's way is not man's way, why is man's way not Christ's way? It is the reason why, Christ's way is spiritually and man's way is a fleshy way with a corrupt mind, and no man can have that Christ-like mind until he puts off this old man, which is the devil, a old serpent, and let me say, no man can save himself, for there is no name given under heaven, nor among men, only by and through the name of Christ and he plainly said, except you be converted and become as a little child, you cannot enter into heaven. Now what must we do to be saved, we must believe on the Lord Jesus Christ, and then shall be saved.

So I will close, my few remarks as I don't suppose any one would care to waste time, reading after me.

Yours in Christ,
Rev Dennis Mullaney.
